## THE **Oink!** GUIDE TO POP STARDOM

— or — How to become a rock star in two-and-a-half weeks

### THINK OF A NAME FOR YOUR GROUP!

(Don't worry if you don't have a band... It never bothered Ducks Fitz.)

Just pick one from each column:

A	B	C	D	E
DAVE	FLASH	AND	ROCKIN'	MORNING
BOB	MONARCH	THE	CRAZY	JACKALS
AJIE	SURNAME		APSYLEPTIC	SWABS
TRIGLE	SCREAMER		GROOVY	TEAM
JACK	HADDOCK	AND	RETRAGED	UNDERPANTS
SALLY	WINDOW	YES/	LUMPY	VAMPIRES
STEVE	REBEL	HER	WHIPPY	SOLDIERS

e.g. "Trickle Flash and his Lumpy Snails" or "Rick Screamer and his Groovy Underpants". If this won't do, just think of an old film and name your group after one of its characters. Don't! However, name your group "Mary Poppins".

### HAVE A GIMMICK!

Many pop stars have a special gimmick which gets them remembered. For example, Benn from "Curiosity Killed Our Gran" wears his hat backwards and dances like a comatose Thunderbird and Black Lacey can't sing. Both of these are successful gimmicks. Here's some ideas for your group:

Wear saucepans on your heads

Only sing songs about vegetables

Stain your skin green

Dance together in perfect non-synchronisation (5-Star do this one)

Don't make any records [this one's easy]

### BECOME A LYRICIST!

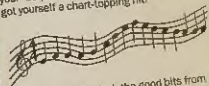

Place the following lines in any order at all, BINGO! You've got your own pop song! (As used by Thick Astley, Ham Fox, 5-Star etc.)

- A Oh Yeah Yeah Baby
- B Don't you do this to me
- C Kiss me, baby
- D Woh Woh Oooooh
- E Dance the night away
- F Oooooh, our love is special
- G This is a meaningless line, yeah!
- H Let's count the returns on this one
- I Dooby Dooby Doo Yeah Doooh

nb: Any of these will also do as a title.

### LAST AND LEAST: THE TUNE!

Just arrange the following in a random order, then tap a drumstick lightly against a biscuit tin as your computer plays back your "sequence" repeatedly, and you've got yourself a chart-topping hit!

Alternatively, just pinch the good bits from other people's records, mix 'em together, and you've got a smash hit [as recorded by SOCK, ACHING & SLAUGHTERMAN!]

I'd show them a move or two, if they weren't such wrimps that they'd aren't step outside and discuss it in the car park at home. Neither are we interested in the politics of personal style," says broad-eyed, dog-loving dimple-cheeked party chairman Keith Bonaparte, surrounded by his lovely wife (you know her with the nice hair) and his charming gap-toothed toddlers.

Let's take a look at some GBHDP policies

We will introduce green and white papers to the chamber, (supplied at exorbitant cost by GBH Andrax plc).

2. "I'll climb the steps and knock on his door 'til he wakes up!" growled the Chief. "No you won't!" said Sally Steps. "I'm on strike. I'm fed up with being walked on."

3. Then the Chief wanted to go to the toilet. But Tommy the Toilet Door was having a lunch-break and wouldn't open up for him.

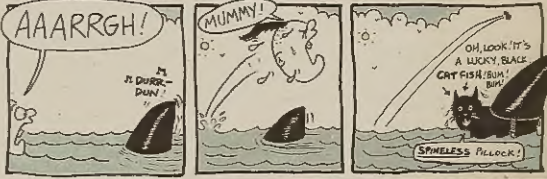

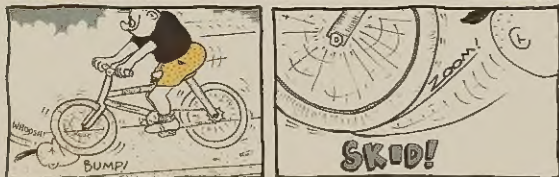

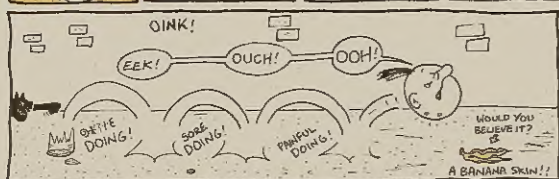

4. "Grr! I'm fed up with you awkward talking objects!" snarled the Chief. "I'm going to the bank to cancel your wages!"

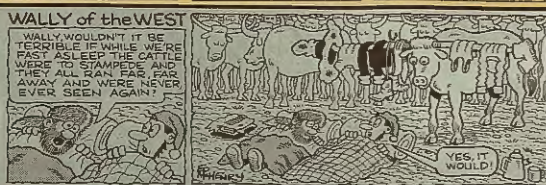

5. "Oh no, you're not!" came a loud voice. And the Chief found himself tripping up, with his pants around his ankles. "AARGH!" he cried.

6. "Let's hope he's in a better mood when he wakes up!" giggled Terry the Trousers. "We really got the drop on him, didn't we?" chuckled Eustace the Underpants.
